

ClearCallerID™

Caller ID reputation management solution

Only ClearCallerID™ gives you a comprehensive solution of tools and services to fully manage caller ID reputation

- ✓ **Monitor for Affected Numbers**
Convoso's proprietary ClearCallerID™ solution lets you see when each major carrier flags or blocks your numbers, and when FTC complaints have been filed.
- ✓ **Identity Registration**
Convoso will make sure carriers know your numbers are being used for legitimate purposes.
- ✓ **Replace Affected Numbers**
ClearCallerID™ gives you the ability to quickly swap out affected numbers and automatically update campaigns with new numbers to combat call flagging.
- ✓ **STIR/SHAKEN Attestation**
STIR/SHAKEN certified platform can provide you with "A" level attestation.
- ✓ **Omnichannel**
Powered with Convoso's omnichannel platform with voice, SMS, email, and IVA.
- ✓ **Caller ID Branding**
Increased call recognition and answered calls with the ability to include your company name, logo, and the reason for calling.

Results from ClearCallerID™
